FFI AFFILIATE CLUB BENEFITS

MEMBERSHIP INCENTIVE & INDUSTRY PARTNER PROGRAMS

With FFI’s Membership Incentive Program, for every 12 new FFI members your club recruits, your club receives $75 towards the purchase of merchandise in our Industry Partner Program. Our industry leading partners provide products at discounts for club fundraisers, educational events, and member recruitment and encouragement in local projects.

AFFILIATE CLUB INSURANCE PROGRAM

Once only offered to Charter Clubs, FFI now offers an affordable insurance program to Affiliate Clubs. The master policy purchased by FFI provides general liability coverage of $1M, director/officers liability of $1M, non-owned auto, and an umbrella policy of $1M. Open enrollment forms are sent out in June, but clubs can join any time during the year.

LEARNING CENTER

FFI’s Education Committee has published learning modules for 4 major areas: Casting, Conservation, Fly Fishing Skills, and Fly Tying. Clubs can use the materials to teach and help your members enhance their skills. These comprehensive presentations will soon be accompanied by instructor/teaching manuals. Try it out at one of your club meetings!

CONSERVATION & EDUCATION

FFI provides grants for conservation and education projects to councils, clubs and other organizations that are furthering the mission of the organization. Habitat restoration and education activities are a top priority for FFI. In addition, we offer scholarships for graduate students who are focusing on fisheries or conservation-type degrees.

FFI also recognizes our members, through the Awards Program, for their work in conservation and education. Call FFI HQ for more information on grants and awards. Applications are due April 1 each year.
