FFF Conservation Affiliate Application

Conservation Affiliate

This category of membership is intended for organizations that share a conservation goal and interests with the Federation. Membership is intended for organizations such as watershed councils and conservation restoration committees who desire to participate in these activities as an affiliate of FFF. Fishing clubs and TU Chapters are not eligible for this category.

Annual dues for this category will be $300 per calendar year payable upon application approval. The affiliate will be eligible for FFF and Council grants if the organization is a nonprofit 501(c) (3) entity.

Members of a Conservation Affiliate can vote and be a director and/or officer at the National and Council levels if they are individual members of FFF.

The Conservation Affiliate is not eligible to be included in the Federation’s 501(c) (3) Group Exemption or Master Insurance Policy. The Affiliate can participate in the FFF Group Insurance offered to FFF Affiliate Clubs.

Approval for this status will be made by the FFF Chair/President upon recommendations by the Conservation Chair, Membership Chair, appropriate Councils and Office Management. The application and/or recommendations will include statements describing the benefits to FFF.
