Membership & Responsibilities

The Education Committee is comprised of members of the FFI Board of Directors, and appointees made by the Chairman of the Board of Directors. Specifically, The Education Committee membership includes the Chair- Fly Tying Group Board of Governors, Chair- Casting Board of Governors, the Museum Curator, the Women Connect Program, Project Healing Waters, and additional members of the FFI Board of Directors. Additional Committee members will be representatives from a Council, such as the Council Vice President for Education, unless otherwise designated by the Council. Non-voting members of the Education Committee include FFI Education Coordinator and other ex-officio members invited to participate as appropriate.

The Committee is responsible for directing the education efforts of FFI as outlined by the Board of Directors, FFI education goals, objectives and policies. The Committee serves as a direct advisor to the Board with the primary responsibility for recommending education policies and programs for approval by the Board. The Committee oversees all aspects of FFI education activities in furtherance of Board approved education policies. In addition to providing fly fishing educational opportunities, the Education Committee will manage the FFI Fly Fishing Skills Education Award, and the FFI Education Grants.
